INTERVIEW SUMMARY

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir,

The following is a summary of telephonic interview held on January 22, 2002, between myself, John D. Lister and Examiner Stephen M. Johnson.

In the interview claims 19, 27 and 35 were discussed. Claims 19, 27 and 35 had been rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. An agreement was reached to amend the claims as set forth in the Examiner's Amendment of January 29, 2002. No prior art was discussed.

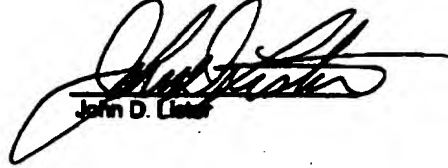

In the interview, the objections to the proposed drawing correction were discussed and it was agreed to amend the drawings as set forth in the Examiner's Amendment of January 29, 2002.
